## BEDS

At Mika Furniture, beds are the flagship line of our entire portfolio.

With the best selection of finishes, sizes and functions; bed collections offer a product for every taste, style, and space out there.

Wooden or upholstered, under-mattress storage systems, platform or drawers, high or low headboards and remote controlled led lights are some of the starring features of this line.

For upholstered models, a variety of PU or regular fabrics and leatherette are available. Some models also count on matching nightstand, dresser (with or without mirror), and chest.
